Theraport™ Ankle Wrap

Increases blood flow to speed healing. Provides light compression to counteract swelling. Increases elasticity of muscles, tendons and ligaments to reduce the risk of injury when under stress or strain. Patented Trioxon™ lining creates a ventilated micro climate for hours of comfortable wear. Lining features a series of soft spirals that stimulate the skin to help create heat required for healing; plus, small fibers that lift moisture while the knitting process retains air to allow the skin to ventilate. Adjustable Velcro closure. Black. Fits either ankle. Sizes (Measure around ankle joint): S (8.75-9.5), M (9.5-10), L (10-10.5), XL (10.5-11), XXL (11-11.5). **THERAWRAP** \$26.59 each

Ankle Sleeve

Therapeutic warmth keeps ligaments flexible to reduce strain and tearing. Compression helps contain inflammation, while supporting ankle. 3mm neoprene. Sized according to shoe size. Men's Sizes: S (5-7), M (7-10), L (10-12), XL (12-13). Sold individually. **ANKLESLEEVE** \$8.99 each
